THE EXECUTIVE DIRECTOR,  
CENTER FOR HEALTH & HOPE AND ANNFORT  
STUDENT SCHOLARSHIP PROGRAM.

Dear Sir/Madam.

REF: APPRECIATION LETTER.

I wish to appreciate the AFSSES Program Donors who have sacrificed their special time and resources to ensure my studies are catered for. May our Good Lord Jesus Christ who rewards good deeds, reward you according to His glorious riches in heaven. Amen.

I am a student at Chuka University in fourth year, but have one semester to finish my studies. I am pursuing Bachelor of Education Arts (BED sec-option) Degree, with a debt to clear \$2,400 before I get my Degree Certificate.

The units I have left to do are about six, within the same semester, and the classes are about to start in the next two weeks from today, going all the way to December this year.

As I am writing this letter, my heart has delighted while my eyes shedding tears of joy. This is because, I could not have expected to go back to the University soon to complete my studies due to lack of school fees. I have been discouraged since the time I left school (University), whenever I thought of my studies. But now, I am confident sure that my problem has been solved through AFSSES.

I wish to thank you, for your endeavours to ensure we are doing our best in our studies. I promise, we will not let
