

Dear Sponsor

How are you? I hope God's mercy has kept you well. My name is James Mwangi. I am a student at Kenya Methodist University pursuing a Bachelor of Education Science course, which takes four academic years to complete graduate.

My aim writing to you is thank you for the support you have given to me in ensuring that I continued with my studies smoothly. You have been a blessing that God has given to me as well as to other students who also learn because of your hardwork. I give a vote of thanks on my part and on behalf of them.

I guarantee you that I am going to do my best to make you proud and eventually be a good person in character as well as moral behaviours. I pray that God will continue to bless and take care of you in your day to day encounters. Thank you

Yours faithfully,
James Mwangi
